EDUCATION

Google UX Design Certificate - Online

April 2021 - October 2021

Completed rigorous training designed for entry-level job readiness. Topics included UX research fundamentals, inclusive design, wireframes and high-fidelity prototypes, and tools like Figma and Adobe XD. Completed hands-on projects and developed a portfolio with three projects.

Graphic Design Specialization at Calarts - Online

September 2020 - December 2020

Learned the principles of graphic design, like typography and composition. Completed hands-on activities and developed a branding project.

HTML, CSS, JavaScript - Online

2016 - 2019

Taught myself how to create websites using HTML, CSS, and JavaScript by following courses and tutorials on the internet.

Lycée Lama-Prevot, French Guyana - High School Diploma

September 2016 - June 2018

Completed a literature faculty with cinema audiovisual option.

EXPERIENCE

2016 - 2020

I created multiple websites and visual work (business cards, logo, ..) during my spare time, for friends and family businesses.

SKILLS

Design : User research, wireframe, mockups, prototype, usability study

Tools : Figma, Adobe XD, Photoshop, Illustrator, HTML, CSS, JavaScript
